Ina - I am forwarding your message to Greg Jordan (HQUSACE Superfund Chief). I know Greg has been coordinating the new Westlake IA and trying to confirm who will sign the IA with senior HQUSACE management and the St. Louis District.

Ina - For your info -please see attached. The information you need to enter in the EPA system for Block #8, #11, and #15 is always the same as noted for all Superfund IAs issued to USACE.

I am checking on who will sign in Block #41 of the IA document as the Authorizing Official, and I will forward that information when it is confirmed.
